

A scenic view of a Venetian canal. The water is dark and reflects the surrounding buildings and sky. On the left, there are colorful buildings in shades of red, orange, and yellow. On the right, there are taller, more traditional brick buildings. In the background, a large, ornate church with a dome and classical architectural details is visible. A small bridge crosses the canal in the distance. Several boats are moored along the sides of the canal, and one is in the foreground.
